Slovak spa with unique healing water that simultaneously helps treat diseases of the musculoskeletal system and the cardiovascular system

+421 45 550 4444 **www.kupeledudince.sk/en**

Did you know that...

... healing mineral water of Dudince is one of the most valuable in the world? Its high mineralisation and unique combination of carbon dioxide and hydrogen sulphide make it possible to treat various diseases simultaneously:

- cardiovascular conditions
- neurological conditions
- cardiovascular conditions
- occupational diseases

The only spring in Europe with water of a similar composition is in Vichy, France.
